Part 1: Contract Provisions provided by child care facility:

Upon signing this agreement, Livonia Nursery, Inc. agrees to abide by the following provisions of the Michigan Administrative Code:

R 400.5106 Program.

Rule 106. (1) A center shall provide a program of daily activities and relationships that offers opportunities for the developmental growth of each child in all of the following areas:

- (a) Physical developmental, including large and small muscle.
- (b) Social developmental, including communication skills.
- (c) Emotional development, including positive self-concept.
- (d) Intellectual developmental.

- (2) A center shall permit parents to visit the program for the purpose of observing their children at all times.
- (3) A center operating with children in attendance for 5 or more continuous hours per day shall provide for outdoor play, unless prevented by inclement weather conditions.
- (4) A center shall provide each child under school age in attendance for 5 or more continuous hours a day with an opportunity to rest.
- (5) A center shall provide children less than 3 years of age with an opportunity to rest regardless of the number of hours in care.
- (6) A center shall permit children under 12 months of age to eat and sleep on demand.

R 400.5205 Formula; milk; foods.

Rule 205. (1) The requirements of R 400.5110 apply to infant formula and feeding in addition to the requirements of sub rules (2) to (11) and (13) of this rule.

- (2) When a center provides formula for the child who is on infant formula, commercially prepared, pre-bottled, ready-to-feed formula shall be provided. A center shall keep a list of formulas it offers and the number of calories per ounce that each formula provides.
- (3) A formula shall be iron-fortified for a child who is less than 6 months of age, unless otherwise recommended by the parent or a licensed physician for the individual child. Iron-fortified cereal, if not already provided the child by 6 months of age, shall be provided when the iron-fortified formula is discontinued, unless otherwise recommended by the parent or a licensed physician for the individual child.
- (4) Formula left in a bottle at the end of a feeding shall be discarded with the bottle.
- (5) Special formula required for an individual child shall be provided by the center in commercially prepared, pre-bottled, ready-to-feed units, unless provided by the parent as specified in sub rule (12) of this rule.
- (6) When formula is discontinued, all of the following provisions shall apply:
 - (a) A center shall provide and use whole homogenized vitamin D-fortified cow's milk, unless otherwise directed by the parent of a licensed physician.
 - (b) Milk shall be poured into clean cups or bottles have sanitized nipples. Excess milk left in a bottle or cup shall be discarded.
 - (c) Nipples shall be thoroughly cleaned and sanitized after each feeding and before being used again. This sterilization shall be by boiling the nipples for not less than 5 minutes.
- (7) This rule does not preclude a mother from visiting the center in order to breast-feed her child or from sending to the center expressed milk for the child.
- (8) A child too young to sit in a highchair or at a feeding table shall be held in a semi-sitting position or placed in an infant seat while being fed.
- (9) A child who is unable to hold his or her bottle shall be held when the bottle is given.
- (10) Solid foods shall be introduced to the individual child according to the parent's or a licensed physician's instructions.
- (11) Commercial baby food containers that are opened, and foods prepared in the center which are stored, shall be covered, dated, and labeled as to the contents and refrigerated. The contents shall be used or discarded within a 36-hour period. A child shall not be fed directly from baby food containers if the contents are to be fed to the child at more than 1 sitting or to more than 1 child.
- (12) When a parent chooses to provide formula or food in accordance with R 400.5110(1)(b), the center shall assure that the food, formula, bottles, nipples, and containers comply with all of the following provisions:
 - (a) Formula shall be prepared at the child's home and placed in as assembled bottle unit before being brought to the center.
 - (b) Formula, milk, and perishable foods needing refrigeration shall be refrigerated. Formula shall not be stored longer than 24 hours after opening. Foods shall be covered and labeled as to the contents, date of opening, and the specific child for whom its use is intended. Foods other than formula shall be used or discarded within a 36-hour period after opening.
 - (c) Each bottle and nipple supplied by a parent shall be used for a single feeding only and then returned to the parent.
